KPC Council News.

This year at the AGM we will be introducing a new fixed term system for Church committee convenors. We are excited about this prospect because it allows members who have served in various roles for an extended time to have a rest or a change of ministry area. And it also is an opportunity for us to introduce some new people to the leadership mix here at KPC.

Our current standing committees are:

Worship, Education, Communications, Fellowship, Pastoral Care, Property and Finance.

If you feel called to be involved in helping in any of these areas, now before the AGM, is a great time to get in touch with Roy or Raz.

Email the church office to have church events included in the weekly bulletin
